Shepherd's Column

My brothers and sisters,

It is such a joy to begin another week celebrating our Catholic faith with you! As we begin another week of Christian life and service together, I wanted to share some thoughts on the importance of spending time with the Lord.

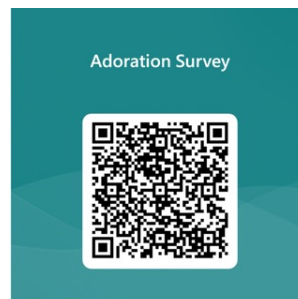

Prayer is integral to who we are as a Christian people. This prayer can take many forms, and should, as St. Paul explicitly reminds us that we are to pray always. Prayer can be vocal, or it can be silent. It can be structured in a formal way, such as through the Holy Rosary or the Divine Mercy chaplet. It can be entirely unstructured, as it is when we just speak to the Lord as we speak to a friend. Prayer can even be exercising our specific vocations, such as a father comforting his crying child, or a wife caring for her husband.

However, the greatest expression of prayer as a Christian people is always our participation in the liturgical life of Holy Mother Church. Outside of Mass, participation in Adoration of the Blessed Sacrament is perhaps the greatest prayer that we can make. It is a conscious desire to physically spend time with the Lord, as one who loves desires to be physically close to their beloved. It is a time of peace and silence in a world that is often marked by great anxiety and loudness. We can look upon Him who loves us, and put ourselves into a physical and mental place away from the concerns of the world.

I am deeply encouraged by the amount of Adoration we have so far, and after receiving many comments, I am interested in your thoughts on the possibility of expanding our opportunities for this type of prayer. There is a QR code below for a survey where you can share your thoughts and opinions on this beautiful practice of our faith. It will remain open until September 1 for you to share any opinions on the expansion of Adoration here at Church of the Ascension.

Thank you all for your beautiful witness of faith, and I stand ready to assist you in any way I can. May God richly bless you!

Let's Be Healthy Together!

TIME IS RUNNING OUT... SCHEDULE YOUR APPOINTMENT TODAY!

Stroke is the #5 cause of death and a leading cause of disability in the U.S. Often, the stroke itself is the only warning sign. On average, every minute that a stroke goes untreated, 1.9 million brain cells die.

There is a simple, convenient and affordable way for you to get preventive health screenings and learn your risk for stroke, heart disease and other chronic conditions. **On Monday, August 26, Life Line Screening will be at Church of the Ascension**, offering painless screenings that go beyond your regular checkup to identify dangerous plaque buildup or blockage, a major risk factor for stroke and heart disease. The screenings are accurate, affordable and will give you valuable information about your health that you can share with your doctor. You can't take care of a health issue if you don't know that one exists.

This four-screening package is offered for only \$159.00 and takes 60-90 minutes to complete. Register by calling toll free 888-814-0466 or visit <https://llsa.social/HSCA> and receive a FREE hypertension screening. Or text the word "circle" to 216-279-1607.

THE VASTNESS OF GOD*Reflection on John 6:51-58*

The many images and the vast language we use for God, in both our Scripture and tradition, cannot limit or “contain” who God is, but reflect the expansiveness of the divine. While the image of “God as Father” certainly dominates much of how we speak of God, a more feminine image of God is presented in today’s first reading from the Book of Wisdom. Here, God is “Wisdom,” who “has built her house” and “has spread her table.” She invites all to “come, eat of my food, and drink of the wine I have mixed!”

In this image we hear overtones of the Eucharistic Meal, and recall that “Wisdom of God” is one of the Church’s ancient titles for Jesus. The nourishment food brings to us is not optional; we need food and drink to survive physically. So it is also in the spiritual realm; we are in absolute need of Jesus – His real presence – in the Eucharist in order to have eternal life.

SAINT PIUS X, POPE*Saint of the Day: August 21**Patron Saint of: First Communicants and pilgrims*

Pope Pius X is perhaps best remembered for his encouragement of the frequent reception of Holy Communion, especially by children. The second of 10 children in a poor Italian family, Joseph Sarto became Pius X at age 68. He was one of the 20th century’s greatest popes.

Ever mindful of his humble origin, Pope Pius stated, “I was born poor, I lived poor, I will die poor.” He was embarrassed by some of the pomp of the papal court. “Look how they have dressed me up,” he said in tears to an old friend. To another, “It is a penance to be forced to accept all these practices. They lead me around surrounded by soldiers like Jesus when he was seized in Gethsemani.”

Pope Pius encouraged Italian Catholics to become more politically involved. One of his first papal acts was to end the supposed right of governments to interfere by veto in papal elections—a practice that reduced the freedom of the 1903 conclave which had elected him. In 1905, when France renounced its agreement with the Holy See and threatened confiscation of Church property if governmental control of Church affairs were not granted, Pius X courageously rejected the demand.

While he did not author a famous social encyclical as his predecessor had done, he denounced the ill treatment of indigenous peoples on the plantations of Peru, sent a relief commission to Messina after an earthquake, and sheltered refugees at his own expense.

On the 11th anniversary of his election as pope, Europe was plunged into World War I. Pius had foreseen it, but it killed him. “This is the last affliction the Lord will visit on me. I would gladly give my life to save my poor children from this ghastly scourge.” He died a few weeks after the war began, and was canonized in 1954.
